G.O.MS.No.934 Education dated 22nd April 1953.

Abstract.

Madras Educational Rules- Form of Application for recognition of schools for special Education- Appendix 17- Amended.

-X-X-X

Copy of letter from the Dmx Director of Public Instruction, R.C.No.528 E4/53 dated 10-3-1953.

Sub: M.E.R.- Appendix 17- Amendments to Proposal Submitted.

Para 3 of Rule 54 of the Madras Educational Rules requires that schools recognised by the competent authority shall not be closed unless one year's previous notice has been given to the department. In accordance with this Rule a declaration has to be given in the application for Recognition- Vide para 2 under 'Declaration' in Appendix I. (For use in Secondary schools to the Madras Educational Rules.

The above is applicable to schools for special Education also with reference to Rule 64 of the Madras Educational Rules.

But in the form of application for Recognition prescribed for schools for special Education-Appendix 17- the declaration referred to above has not been incorporated I therefore suggest that the following may be added as para 2 under "Declaration" in the form of Application for Recognition for schools for Special Education-Appendix 17 to the M.E.R.

"In the event of the management deciding to close down the school, I agree to give one year's notice to the department before actual closure the closure being made only at the end of the school year".
